GRASS SEED AND GRASSES

We build and renovate Putting Greens and Lawns.
We contract for Grading and Sodding.
We can supply any quantity of Sod.

PEAT MOSS

Peat Moss is a good soil builder, and can be used in light or heavy soil and for mulching Rose beds, all kinds of flower beds, Rhododendrons, Laurel and all other Shrubs.

TAN-BARK

Tan-Bark should be used in Flower Gardens. Gives your Garden a cool appearance. Softens the walks and dries quickly after a rain.
